Newly Appointed Teacher

Principal Kazuhiro Yamahata (From Kashida Junior High School)

Hello, everyone at Okibe Evening Junior High School. My name is Kazuhiro Yamahata, and I am honored to serve as your principal. Four years ago, I was at Fuse Evening Junior High School. Since both evening junior high schools had many opportunities for interaction, I was familiar with Okibe Evening Junior High School. However, I am pleasantly surprised to see how many more members have joined during my time away, and it fills me with joy.

At the evening junior high school, please cherish your desire to learn, take your time, and continue learning at your own pace without rushing. Also, value your fellow classmates with whom you learn together, and deepen your bonds. All the activities at the evening junior high school will connect to building “life skills.”

So that everyone can continue learning with smiles on their faces, the teachers will work together to support you to the best of our ability.

Kaori Saito (From Yao City Higashi Junior High School)

Hello, everyone! I was looking forward to meeting you all with excitement and anticipation. Let's study together a lot, talk a lot, and become good friends. I look forward to working with you!
