

## The year of the Okibe Night School

On May 9th (Friday), during the 3rd period, the school-wide Student Council General Assembly was held. The new Student Council President and officers for the year 2025 were introduced, marking the official start of Student Council activities.

On May 18th, 2025 (Sunday), the Student Council Union General Assembly and the Welcome Gathering for New Students were held.

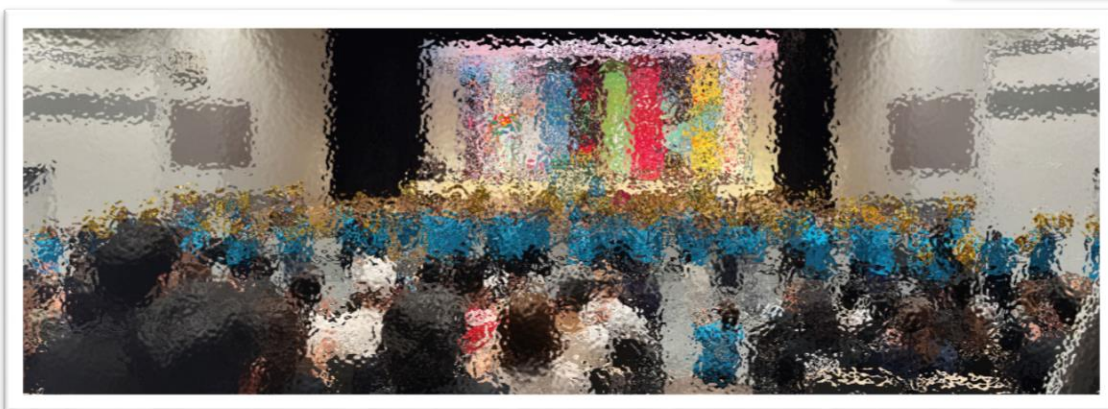

On May 18th (Sunday), at the Sakai City Industrial Promotion Center, 312 night school students gathered for the Student Council General Assembly and the Welcome Gathering for New Students.

During the Student Council Assembly, reports on the activities of the 2024 academic year were presented, as well as proposals for the 2025 activity plans. Additionally, opinion presentations were given by representatives from various schools.

After that, a Welcome Gathering for new students was held to celebrate their arrival. In the energetic venue, students from 15 schools creatively introduced the new students. Okibe Night School was the sixth to perform, presenting introductions and showcasing the Fulong exercise, which greatly enlivened the audience.

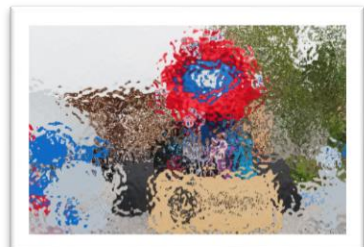

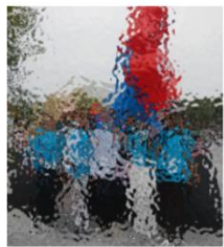

In the afternoon, after enjoying lunch, everyone headed to the venue of the Osaka/Kansai Expo.

The spring excursion was to the Osaka /Kansai Expo.

Under the cloudy sky, we walked energetically through the Expo grounds.
