

**★ Joint student presentation**  
**by Okibe and Fuse Night Junior High Schools ★**

Joint student presentation by Okibe and Fuse Night Junior High Schools, the only joint event in FY 2020, was held in the gym at Fuse Night Junior High School on Sunday, March 7.

In the first part, we played bocchia. Since it was the first time for the students to experience the game, an orientation was given before starting the game. Once they got the hang of it, the ball started to go where they thought it would, and they naturally smiled and seemed to enjoy the game.

In the second part, study presentation was held, where each school presented their work.

Fuse's presentation;

1. Paranku (Okinawan music instrument) performance
2. Review of the past year
3. Essay presentation
4. Gangue (Korean music instrument) performance

Okibe's presentation;

1. Review of the past year
2. Exercise to the "Song of a, i, u, e and o" and "Eisa" performance

Students practiced during the PE class and danced very well at the performance.

## ★Looking back to the year★

The school was temporarily closed from March 2 to May 31, 2020 to prevent the spread of COVID-19. The school year 2020 began on the first day of June.

Students are reminded to wear masks in class, wash and sanitize their hands, and ventilating the classrooms.

However, some of them could not come to school because they were afraid of COVID-19 infection.

This situation will continue until this pandemic is under control. All students are asked to work together to prevent infection.

Let's overcome this situation helping each other.
